

ACTIVATING SMSF DATA FEEDS

ON FIRSTNET INVESTOR

Step 1

Login using your OIN and password.

Step 2

Click 'My account'.

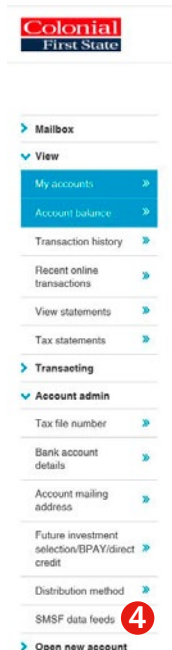

Step 3

Under 'My account', select the account that you would like to activate the data feed for by clicking on the account number.

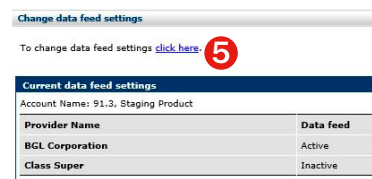

Step 4

On the left hand side, under 'Account Admin', select 'SMSF data feeds'.

Step 5

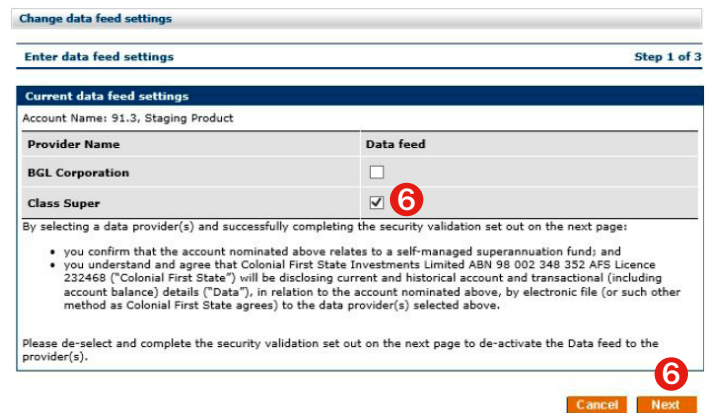

Select 'click here' link to update the SMSF data feed settings.

Step 6

Select the SMSF administrator(s) you would like to activate a data feed for, and/or tick to give your listed adviser authority to update these data feed settings on your behalf.

Read the Terms and Conditions, tick the box and click 'Next'.

Step 7

Click **'Generate FirstNet Code'** and enter the code that was sent to your mobile. If your mobile number is not registered, please follow the screen prompts, to register the mobile number. Once your mobile number is registered successfully, enter FirstNet Code and click **'Submit'**.

For your security

You need to generate and enter a FirstNet Code to continue with this transaction.

Generate FirstNet Code

Enter your FirstNet Code

7

Cancel Back Submit
