

Westpac Live Class data feed activation process

Steps for activating your Class Westpac data feed

1. Select Services from the Services & preferences menu as show below:

2. Select Services page select Bank feeds as show below:

Help

- > Help centre
- > Your security
- > Site map
- > Terms and Conditions

Contact us

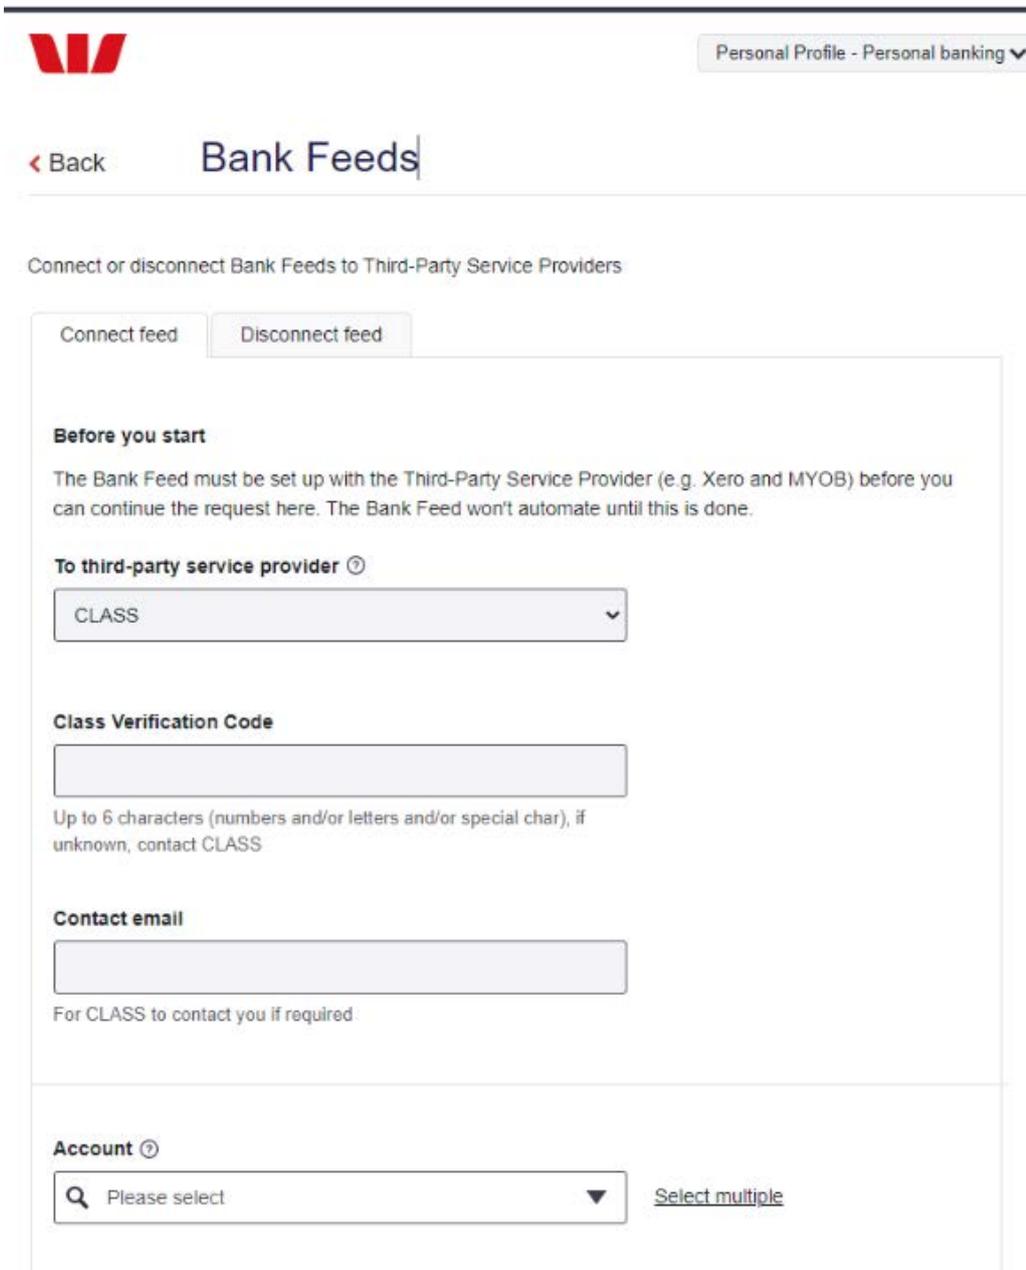

- > Call us
- > Find a branch

3. On the **Bank feeds** screen (shown below), from the **Account** drop-down menu select the accounts that you wish to set the data feed up for.

From the **Third-party services provider** drop down menu select **CLASS**.

Then enter the **Class Verification Code** (6-digit number) generated in Class application.

You must enter an **email address** for Class to contact you if required.

The screenshot shows the 'Bank Feeds' activation page. At the top left is the Westpac logo. At the top right is a user profile dropdown menu labeled 'Personal Profile - Personal banking'. Below the logo is a navigation bar with a '< Back' link and the page title 'Bank Feeds'. The main heading is 'Connect or disconnect Bank Feeds to Third-Party Service Providers'. There are two buttons: 'Connect feed' (active) and 'Disconnect feed'. Below this is a 'Before you start' section with a warning: 'The Bank Feed must be set up with the Third-Party Service Provider (e.g. Xero and MYOB) before you can continue the request here. The Bank Feed won't automate until this is done.' The 'To third-party service provider' dropdown menu is set to 'CLASS'. Below that is a 'Class Verification Code' text input field with a note: 'Up to 6 characters (numbers and/or letters and/or special char), if unknown, contact CLASS'. The 'Contact email' text input field has a note: 'For CLASS to contact you if required'. At the bottom is an 'Account' dropdown menu with a search icon and the text 'Please select', and a 'Select multiple' link.

Read the Acknowledgements and Declarations section, then click on **Connect feed**.

Acknowledgements and Declarations

By requesting the activation of a Bank Feed (by clicking 'Connect feed'), you acknowledge, declare, and agree that:

1. You have read and understood the relevant sections of the [Westpac Online Banking Terms and Conditions](#)
2. Westpac is authorised to disclose current and historical transactional information (including account balances) in relation to the nominated Eligible Westpac Account(s) ("Data") by electronic file transfer to the nominated Third-Party Service Provider ("TPSP") each business day or upon request from the TPSP.
3. The TPSP will use the Data as part of their provision of goods and services to you. The TPSP will store the Data in their systems (which may include storing it overseas) and will be responsible for its safekeeping. It is your responsibility to understand the TPSP's privacy policy, terms of service and any other document that forms part of your agreement with the TPSP.
4. No partnership, joint venture, agency or any other type of similar relationship exists between Westpac and the TPSP. Westpac is not responsible for the acts or omissions of the TPSP.
5. Westpac is not responsible for the completeness or accuracy of the Data supplied to the TPSP, and is not liable for delays, non-performance, processing errors or any other issue arising out of or in connection with this authority. Westpac is not liable to any person for any reliance placed on the Data supplied to the TPSP.
6. Westpac has the right, in its sole discretion, to discontinue the provision of Data to the TPSP at any time upon written notice to the TPSP. Westpac may also choose not to disclose Data related to accounts that are subject to restrictions (including those that require more than one user to authorise transactions).
7. The Bank Feed will continue until disconnected by you or a User in your Network through Westpac Online Banking (even if you no longer have appropriate access to the Account or Online Banking) unless terminated earlier by Westpac or the TPSP.
8. Amendments to other authorities (including changes to a User's access in Online Banking) you may have with Westpac now or in the future shall not affect this authority which is to continue until termination of this authority in accordance with its terms.

[Cancel](#) [Connect feed](#)

4. You will receive a message indicating that the bank feed request has been received and will be activated – your accountant should start receiving the data within one to two business days.
